

Is your booth actually making money?

Booth rent, mall commission, cost of goods. Flippd does that math.

- ✓ **Scan & Add, or AI photo recognition.** Barcode or photo fills in the title, brand, and category.
- ✓ **Storage locations, three deep.** Booth 42 → Shelf A → Locked Case.
- ✓ **QR price labels you print yourself.** Price, logo, booth number.
- ✓ **Shelf and case QR codes.** Scan a shelf, see what belongs there.
- ✓ **Customer Showroom.** Post a public QR; shoppers browse your prices on their own phone.
- ✓ **Booth rent as a recurring expense.** True profit after rent and mall commission.
- ✓ **AI receipt scanning and mileage.** Every deduction ready for tax time.
- ✓ **Inventory Aging.** See what has sat in the booth too long.
